

CALIFORNIA STATE UNIVERSITY, LONG BEACH

COLLEGE OF ENGINEERING
DEPARTMENT OF MECHANICAL AND AEROSPACE ENGINEERING

October 14, 2014

Dear Colleague:

The Department of Mechanical and Aerospace Engineering at California State University, Long Beach invites applications for multiple full-time tenure-track faculty appointments to begin in August 2015. The enclosed announcement describes these positions, the qualities we are searching for in the candidates, and information on how to apply.

I am requesting your assistance in sharing this announcement with associates, graduate students, professional organizations, and other resources available to you. In addition, would you please encourage any women or ethnic minorities to apply for these positions? Our goal is to attract greater numbers of such applicants and thereby increase our opportunities to improve the gender and ethnic diversity of our faculty.

For more information about the Department of Mechanical and Aerospace Engineering, please see our website at: <https://www.csulb.edu/colleges/coe/mae/>. Complete position descriptions for all of our recruitments are available at: <https://www.csulb.edu/divisions/aa/personnel/jobs/coe/>. Please note that applications must be submitted on the Academic Jobs Online website at: <http://academicjobsonline.org/ajo/jobs>.

Any assistance you might provide us, including the circulation of the enclosed position announcement, will be much appreciated. Please note that the review of applications will begin January 16, 2015. The positions are open until filled (or recruitments canceled).

Sincerely,

A handwritten signature in blue ink that reads "Jalal Torabzadeh".

Dr. Jalal Torabzadeh
Professor and Chairman
Department of Mechanical and Aerospace Engineering
