

CALIFORNIA STATE UNIVERSITY, LONG BEACH

COLLEGE OF ENGINEERING
DEPARTMENT OF MECHANICAL AND AEROSPACE ENGINEERING

The Department of Mechanical and Aerospace Engineering at California State University, Long Beach invites outstanding individuals to apply for four open faculty positions at the Assistant Professor rank. Complete position descriptions are available at:

<https://www.csulb.edu/divisions/aa/personnel/jobs/coe/>.

Applications must be submitted online at <https://academicjobsonline.org/ajo/jobs>. Review of applications to begin January 16, 2015. Positions open until filled (or recruitments canceled).

We are recruiting exceptional candidates with interest and expertise in the following areas:

- **Solid Mechanics and Materials** (AJO Job 4582, CSULB Recruitment #2115)
- **Mechanical and Aerospace Engineering Design and Optimization** (AJO Job 4583, CSULB Recruitment #2116)
- **Dynamics, Control, Robotics and Automation** (AJO Job 4584, CSULB Recruitment #2117)
- **Advanced Intelligent Materials** (AJO Job 4585, CSULB Recruitment #2114)

REQUIRED DOCUMENTATION:

- A Student Success Statement about your teaching or other experiences, successes, and challenges in working with a diverse student population (approximately one page).
- Letter of application addressing the minimum and desired/preferred qualifications.
- CV (including current email address).
- Three to five current references or letters of recommendation.
- Copy of transcript from institution awarding highest degree.
- Finalists will also be required to submit a signed SC-1 form, three current letters of recommendation (if not already submitted), and an official transcript.

The successful candidates will have distinguished academic records with exceptional potential to develop world-class teaching and research programs. They will teach undergraduate and graduate courses in their related fields, as well as undergraduate fundamental courses in mechanical and aerospace engineering; develop new courses and laboratories; update existing courses; supervise student projects and theses; write grant proposals and seek research funding; conduct independent and collaborative research leading to publication and external funding; actively participate in department, college, University, and community service.

CSULB seeks to recruit faculty who enthusiastically support the university's strong commitment to the academic success of all of our students, including students of color, students with disabilities, students who are first generation to college, veterans, students with diverse socio-economic backgrounds, and students of diverse sexual orientations and gender expressions. CSULB seeks to recruit and retain a diverse workforce as a reflection of our commitment to serve the People of California, to maintain the excellence of the University, and to offer our students a rich variety of expertise, perspectives, and ways of knowing and learning.

CSULB is committed to creating a community in which a diverse population can learn, live, and work in an atmosphere of tolerance, civility, and respect for the rights and aspirations of each individual, without regard to race, color, national origin, ancestry, religious creed, sex, gender identification, sexual orientation, marital status, disability, medical condition, age, political affiliation, Vietnam era veteran status, or any other veteran's status. CSULB is an Equal Employment Opportunity Employer.
